

POMPEI AND MOUNT VESUVIUS

In this one day we give you the opportunity to visit the Pompei excavations and the responsible for them: the Volcano;

Be ready to a very surprising atmosphere, and somehow a unreal nature ;

Our one day tour are designed to get the most from a short time and may also be personalized up to your wishes; we can substitute Pompei with Herculaneum, which is smaller and more easy to navigate on your own, but also more suitable if you're travelling with children or teenagers, and less in the sun than Pompei;

In summer Pompei excavations may be very hot and shady places are quite rare, so we'd suggest to bring, caps or hat, and bottles of water;
